

7th, 8th and 9th Grade FFA Members

Following attendance at the 2018 Wisconsin Association of FFA FIRE Conference, students will....

1. Be familiar with FFA programs and activities members and their chapters can participate in throughout the 2018-19 school year.
2. Understand the structure of the FFA Organization.
3. Increase general knowledge of the FFA Organization including mission, motto and the FFA brand.
4. Demonstrate the proper way to wear FFA Official Dress.
5. Meet FFA members from FFA chapters outside of their school district and network with students to share ideas and activities.
6. Set personal goals for the 2018-2019 school year.
7. Identify the qualities of a leader and how FFA can help students become better leaders.
8. Develop ideas about a Supervised Agricultural Experience program.
9. Develop confidence in speaking in front of a group of people they are unfamiliar with.
10. Gain teamwork skills in cooperating with people from diverse backgrounds.
11. Network with the State FFA Officer team.
12. Visit a university or technical college campus to explore future post-secondary educational opportunities.
